Hey,  
Honda-san,  
do you  
want me  
to beat  
you up?

I'd like to  
have a normal  
conversation,  
kind of like,  
"What do  
you want for  
breakfast?"  
mixed in with  
some sexual  
harassment.

Hey,  
Shibuya,  
what color  
are your  
panties  
today?

I'm aware  
of my  
position,  
yet, what  
kind of  
person  
is able to  
adjust to  
a situation?

# 未知との遭遇

If this is  
getting  
serious,  
I have to  
learn to  
please him.

.....

What the  
hell! Tell me—  
Is it a dark  
color?  
Idiot...  
Idiot...

There's  
no point  
in having  
a partner  
if it isn't  
good.

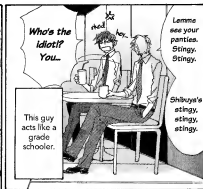

Eh?

Ah...

Jump!

What  
is it?

Who's the  
idiot!?  
You...

This guy  
acts like a  
grade  
schooler.

Lemme  
see your  
panties.  
Stingy.  
Stingy.

Shibuya's  
stingy,  
stingy,  
stingy.

He's shameless with his underwear "experience" and

I don't think I'll be able to ever understand him.

Since the material's slippery, it must rub your ass occasionally.

It must suck to have to fix your wedgies.

Or does it feel good to you since it's like getting a massage there?

You said you like silk since it wears nicely, but

Isn't it rough?

!!

Ah, oh yeah. I bought a G-string. Wanna see?

Super quick!

What...?

Oh—I see.

It must feel good to wear them, I guess.

Generally, I wouldn't know if it would feel good if a man's butt was rubbed.

It's got zero protection ability for my ass.

And having my trousers touch my skin feels weird to me.

Huh?

Right—well...

ROCK—  
THE ANNUAL  
FUND

What  
about  
that  
about  
that

Eh...  
Seriously!?  
How was it?

Hmm?

Brief...?

wearing Briefs

I don't think so if you groom it.

Eh—but... isn't it good that there's no underwear line showing?

There's no pubes.

Somehow, today, we're having an amazing conversation.

He's seriously listening to all that I'm saying.

Ah, as for T-backs, I was reluctant at first, but then I also went from briefs to bikinis.

I just leave a little bit (of hair) so it still looks nice.

You get used to being able to do it yourself since it's easy to do.

How can you be okay with that? I mean, isn't the base of your cock hairy?

And seriously, my pubes jut out.

But I don't want my ass to tingle.

Oh, that's right. I somehow get what you're saying.

There's so many cute designs.

Unlike boxers, they aren't worthy of comparison. They're just short pants!

Something like this

I'm guessing that right now the fad is white items, right?

Whaatt?? I'm humbled in saying you should be wearing underwear that is suitable for you.

Honda-san...

I've switched from boxers completely.

My best position on that is to maintain balance.

For penis stability and better health— isn't that great?!

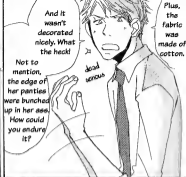

If you've looked, recently, it's been raised boxers.

...Honda-san.

Plus, the fabric was made of cotton.

And it wasn't decorated nicely. What the heck!

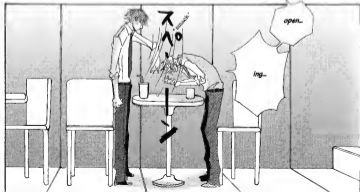

Not to mention, the edge of her panties were bunched up in her ass. How could you endure it?

dead serious

It's such a shame since she had such nice slim legs. Of course I'd be angry that a young girl would have such a horrible style.

With the space between her thighs causing that inverted triangle...

open...

ing-

Why'd  
you do  
that?!

I  
knew  
it.

Hold on.  
Why'd  
you do  
that?

scat

That  
hurt...  
What  
were  
you  
thinking?!

Idiot!

Eh?

Why?

tar tar tar

I can't  
believe  
what  
you're  
saying.

I don't  
get you.

I'm  
not  
mad.

It's  
more  
like  
shocked.

Shituya.

Why are  
you so  
mad?

I had  
hoped,  
but he's  
just an  
idiot.

I don't  
know  
you.

clatter

—Yeah.

I see.

What?  
Was there  
a misunder-  
standing?

I need  
to get  
straight  
to the  
point.

Just  
stop.  
It's em-  
bar-  
rassing.

But you...  
didn't  
say  
that  
before.

**Ding!**

Honda-san!  
It's  
terrible!

Ummm...  
Honda-  
sa...

Crap...

Aah...

I just happen to like  
underwear. Doesn't  
he know I wear them  
for myself and no one  
else? I don't like butt!  
Anyone would  
understand that!

Panties, huh. In the end,  
panties... How far will he  
go for panties? Well,  
I do have a hobby of  
collecting underwear.

T/N: *panchira*—Japanese phrase for “showing panties” equiv. to Eng. “you’re slip is showing”

Who would  
do that?

Pretty underwear.  
Cute underwear.  
Cool underwear.

What other  
reason would  
I wear them?

That's why I have  
to maintain my  
physique. Isn't it  
normal to think  
of body care?

That's why I  
eat a huge  
bowl of...

Isn't that  
a huge bowl?

Up till now, he's been sexually harassing me by trying to get into my pants. Then he finally tells me he likes me. What the hell is that?

Does he think I'd be happy with his vulgarity?

If it's just panties, isn't anything okay for him?

Truthfully, I don't wear underwear for him. Why does he like to grope my ass—?

I need to change the situation. I haven't done various grooming and wearing underwear that shows my butt is not the same as panchira!

I don't know a thing about that.

Is the boundary between skin and cloth okay?

Why the hell did he confess to me. I can't believe I'm going to do this. I must have thick skin.

Excuse me,  
I'd like to  
order a  
medium  
to go.

I was able to talk about my hobby and I enjoyed it, yet, he wants panchira..

It's turning  
out that what's  
a half-sending  
with it?

He took some interest in underwear. And in spite of all the panchira, I was happy.
